

WHO WE HELP

Past your free settlement eligibility? You still deserve a guide.

Many newcomers lose access to free settlement programs after a few years — but the paperwork never stops. Dalal Community Solutions is a private, fee-based service that fills that gap with patient, bilingual guidance.

You stay in control

- ✓ We explain every form in plain language.
- ✓ You sign, you submit, you keep your documents.
- ✓ You leave each session with a written next-step checklist.

We guide, we do not act as you. Dalal Community Solutions is not a government agency, law firm, immigration consultant or tax advisor. We prepare and coach only, and guarantee no outcome.
